

# Greatest Lie

Jackie Boyz

House keys on the table  
Door half way closed  
Where shes going, I wish I knew  
I let the drama get to me  
Couldn't swallow my pride  
I let the best thing walk out of my life

All she wanted was to know was: Did I love her  
But I couldn't answer, I'm so caught up  
Too many fight cost me a life time

Said I'll be just fine without you in my life  
I couldn't deny it'd be the greatest lie  
Words can't describe just what you mean to me  
You know I need you tonight  
I told the greatest lie  
Sayin I don't love you  
I told the greatest lie, I told the greatest lie  
Sayin I don't love you  
I told the greatest lie, I told the greatest lie

Steady tryna go back, rewind that moment  
And tell you how I feel girl I'm dying inside  
In life there is no certainty, should've took that opportunity  
And say just what I really felt

All she wanted to know was: Did I love her  
But I couldn't answer, I'm so caught up  
Too many fight cost me a life time

Said I'll be just fine without you in my life  
I couldn't deny it'd be the greatest lie  
Words can't describe just what you mean to me  
You know I need you tonight  
I told the greatest lie  
Sayin I don't love you  
I told the greatest lie

And, oh, baby I'm at the end of my road  
There's no excuse for me  
I know, you gotta believe me  
How could I ever tell a lie

Said I'll be just fine without you in my life  
I couldn't deny it'd be the greatest lie  
Words can't describe just what you mean to me  
You know I need you tonight  
I told the greatest lie  
Sayin I don't love you  
I told the greatest lie, I told the greatest lie  
Sayin I don't love you  
I told the greatest lie, I told the greatest lie
