

Honestly

Jackie Boyz

We're a long long way from the people we used to be
And your long way past taking the chance on me
And the shadows of doubt have all faded out
And made it so easy to see

Honestly I'm yours
Finally I'm sure
I'm where I belong and baby you're all that I need
Honestly
Honestly

I had to confess it's all because of you
You showed me how to live in the simple truth
Where else do you go when you know that you know
After everything we've been through

Honestly I'm yours
Finally I'm sure
I'm where I belong and baby you're all that I need
Honestly
What more could I need but your love and affection that you gave
so selflessly
Honestly
Huh Oh yeaah
Oh

Honestly I'm yours
Finally I'm sure
I'm where I belong and baby you're all that I need
Honestly I'm yours
Finally I'm sure
Aye I'm where I belong and baby you're all that I need
Honestly
