

# Honestly

Jackie Boyz

We're a long long way from the people we used to be  
And your long way past taking the chance on me  
And the shadows of doubt have all faded out  
And made it so easy to see

Honestly I'm yours  
Finally I'm sure  
I'm where I belong and baby you're all that I need  
Honestly  
Honestly

I had to confess it's all because of you  
You showed me how to live in the simple truth  
Where else do you go when you know that you know  
After everything we've been through

Honestly I'm yours  
Finally I'm sure  
I'm where I belong and baby you're all that I need  
Honestly  
What more could I need but your love and affection that you gave  
e so selflessly  
Honestly  
Huh Oh yeaah  
Oh

Honestly I'm yours  
Finally I'm sure  
I'm where I belong and baby you're all that I need  
Honestly I'm yours  
Finally I'm sure  
Aye I'm where I belong and baby you're all that I need  
Honestly
