

# Love Flag

Jackie Boyz

I've ran away for too long  
My shoes' torn  
I fought hard  
And move all this camp the light on to come home I'm so tired  
And now I'm in the car with no path  
Can't get back to where we started  
Feel just like a bad movie, ohhh

Don't wanna argue  
Please, no more casualties  
See now, girl, I realize you're the one for me  
Take me back, I'm yours

So I'm raising my love flag  
I surrender my love  
I know you're the one  
I'm so tired of running for miles, yeah  
There was a war within the heart  
Fought you too long, now I give up  
So I'm raising  
So I'm raising  
So I'm raising my love flag

Keep on hurting your feelings Now I'm bleeding for the mistakes that I made  
Knew one day that I would pay for starting this whole thing  
This four minute line's reunite, water broken  
I'll do whatever, girl, just take me back  
I want you to know I can't let you go, no I don't

Don't wanna argue  
Please, no more casualties  
See now, girl, I realize you're the one for me  
Take me back, I'm yours

So I'm raising my love flag  
I surrender my love  
I know you're the one  
I'm so tired of running for miles, yeah  
There was a war within the heart  
Fought you too long, now I give up  
So I'm raising  
So I'm raising  
So I'm raising my love flag

You know I can't go and face alone without you here with me  
But, damn, I wiped it  
Girl, I'll risk it all to make sure that I can stay  
I got my different man not like before, ohh  
And girl, I'll be waiting until you return

So I'm raising my love flag  
I surrender my love  
I know you're the one  
I'm so tired of running for miles, yeah  
There was a war within the heart  
Fought you too long, now I give up  
So I'm raising

So I'm raising  
So I'm raising my love flag

So I'm raising  
So I'm raising  
So I'm raising my love flag  
So I'm raising  
So I'm raising  
So I'm raising my love flag
