

One Way Ticket

Jackie Boyz

We started on the same level,
Our trip was planned from the start,
The destination was love oh

No passengers to feel distracted,
We flew in sunny skies,
But now our forecast is cloudy yeah

Said you'd be there for me,
And you'd care for me,
Then why are we departed?
Now we've grown so far,
Don't know where we start again,
So what do we call this? oh

No more you,
No more us,
How did we get this far? oh yeah

See no more you,
No more us,
Look what you really done done, oh oh

See I'm done,
Yeah, I've had me enough,
I usually follow all of your baggage,
Now I'm giving you up,
I need a one way ticket (Ticket),
I need a one way ticket (Ticket, Ticket)

See I'm done,
Yeah, I've had me enough,
I usually follow all of your baggage,
Now I'm giving you up,
I need a one way ticket (Ticket),
I need a one way ticket (Ticket, Ticket, Ticket)

Started out the same level,
Our flight was out on the course,
Then we sat down on the same, Oh,
We travel at the same speed,
Until our flight landed home,
Now we don't know where we go, Oh

If you pray for me,
We don't know what here,
Where we go,
How did we get this far?

And I see that is more,
Than what we have done,
What are we going on?
No more you,
No more us,
How did we get this far? oh yeah

See no more you,

No more us,
Look what you really done done, oh oh

See I'm done,
Yeah, I've had me enough,
I usually follow all of your baggage,
Now I'm giving you up,
I need a one way ticket (Ticket),
I need a one way ticket (Ticket, Ticket, Ticket)

See I'm done,
Yeah, I've had me enough,
I usually follow all of your baggage,
Now I'm giving you up,
I need a one way ticket (Ticket),
I need a one way ticket (Ticket, Ticket, Ticket)
