Ooh Aah Sounds

Jackie Boyz

Yeah yeah
Ayy
Makin' 'em ooh aah sound, sound
Ho whoaaa (Ay)

So shawty lay right down
I'm feelin' to show you how it's 'bout to go down
Just get it started, know exactly what to do
Since you're a symphony from me and you, and you, and you

With every up and down
Playing your body like the strings on a Spanish Guitar
I know you inside out
We're making music now
We're making music now

All night long
Till the break of dawn
You and I be makin' them Ooh Aah Sounds
Like ooh, ooh, ooh, ooh
Like ah, ah, ah, ah
All night long
Till the break of dawn
You and I be makin' them Ooh Aah Sounds
Like ooh, ooh, ooh, ooh
Like ah, ah, ah, ahh

It's like your finger's down my neck
Climax to twenty then we start another set
My swagger's hella when I break this down
I got the pallet type, the instrument sound, –ound, –ound

With every up and down
Playing your body like the strings on a Spanish Guitar
I know you inside out
We're making music now
We're making music now, baby

All night long
Till the break of dawn
You and I be makin' them Ooh Aah Sounds
Like oh (Oh), oh (Oh), oh (Oh), oh (Oh)
Like aah (Aah), aah (Aah), aah (Aah), aah (Aah)
All night long
Till the break of dawn(Baby)
You and I be makin' them Ooh Aah Sounds
Like oh, oh, oh, oh (Oohhh, baby)
Like ah, ah, ah, ah (Say, ooohhhh, baby)

Ahhh, oh, oh, oh, oh (Oooo, yeahh)
Like ah, ah, ah, ahh
Ahhh, oh, oh, oh, oh (Ey ey, yeahh)
Like ah, ah, ah, ahh

With every note are we sing
Think of a note to sing
We're perfecting our love song (Love song)

And no one else got rhythm like we do
Like we doo

All night long (Ey)
Till the break of dawn (Ey)
You and I be makin' them Ooh Aah Sounds
Like oh (Oo), oh (Oh), oh (Oo, baby, yeah), oh
Like ah, ah, ah, ah (See, believe it girl)
All night long (Say no one else)
Till the break of dawn (Say no one, girl)
You and I be makin' them Ooh Aah Sounds
Like oh (Oohhh, yeah, baby), oh, oh, oh
Like ah, ah, ah, ahh

All night long
Till the break of dawn (Ooh, Aah)
You and I be makin' them Ooh Aah Sounds (yeahh)
Like oh, oh, oh, oh (Eyy yeahh)
Like aah (Aah), aah (Aah), aah, aahh
(Makin' them Ooh Aah Sound)
