

# Ships And Planes

Jackie Boyz

I can't delay my love to you  
I see that now I was a fool  
Going AWOL on me  
Only one that love me baby  
I shoulda been more understanding  
Instead of leavin you all into him  
And now I'm sewing it up  
No giving up  
Picking up your heart where I left it

I'll keep on searching  
Won't stop I'll keep on looking  
I need reinforcement  
Cause I can't do this by myself  
If you can hear me then help

I got to call the cavalry  
Cause I'm gonna need a lot of  
Ships and planes  
I'ts gonna take more than just me  
Cause I'm gonna need a lot  
Of ships and planes  
(Back to me)  
To bring you home home home  
Love that feeling straightaway  
You layed your life down selfishly for me  
I know I did u wrong  
I'm sorry baby  
Just know that I won't give up

I'll keep on searching  
Won't stop I'll keep on looking  
I need reinforcement  
Cause I can't do this by myself  
If you can hear me then help

I got to call the cavalry  
Cause I'm gonna need a lot of  
Ships and planes  
I'ts going to take more than just me  
Cause I'm gonna need a lot  
Of ships and planes  
(Back to me)  
To bring you home home home  
I'm calling coast guard,  
The marines, the airforce, the navy  
I got to get to you  
No matter how long that it takes  
With me is where u belong

I got to call the cavalry  
Cause I'm gonna need a lot of  
Ships and planes  
I'ts gonna to take more than just me  
Cause I'm gonna need a lot  
Of ships and planes  
To bring back the pain

To bring you home home home
