Stone Cold

Jackie Boyz

Damn... I'm sorry baby never mean to hurt you all I can do is just hope that you forgive me... yeah Yeah woah woah woah woah woah baby... woah woahh woahh ohh baby

I can't seem to clear my mind I think about it shawty all the time To know I was the one that did you wrong But I promise I've change and I put that on everything

Don't wanna go clubbin' with my boys... Don't wanna meet nobody new Cause baby girl I'm still on love with you Said I'm half a man hear me out girl understand

Girl I cheated I shouldn't of beat it Left you with no heart beat Now n now I can't sleep a And there's no reason I have none at all A cheater stone cold cheater And I'm not finished don't think I'm crazy Oh girl said she once lay pregnant with my baby With no reason I have none at all A cheater a stone cold cheater...

Now I know my actions was wrong But please listen how I feel about it inside girl I just cry n cry over and over You played your position stayed down like a soldier But while you was home alone I was gone doing wrong Should had you down lovin you Not messin around Girl I shouldn't of lied to you I should of told the truth I'm half a man without you...

Girl I cheated I shouldn't of beat it Left you with no heart beat {no reasons for my actions baby} There's no reason I have none at all A cheater stone cold cheater And I'm not finished don't think I'm crazy Oh girl said she once lay pregnant with my baby With no reason I have none at all A cheater a stone cold cheater

Girl never ever meant to tear us apart Wish we could start all over again didn't mean to play with your heart I'm so sorry baby I'm so sorry baby And girl I never ever meant to lie to you No words can express the type of pain that I put you through I'm so wrong so wrong I'm so torn now that your gone... wooooh

Girl I cheated I shouldn't of beat it Left you with no heart beat Now n now I can't sleep girl And there's no reason I have none at all A cheater stone cold cheat And I'm not finished don't think I'm crazy oh Girl said she once lay pregnant with my baby With no reason I have none at all A cheater a stone cold cheater...
