

The Way You Are

Jackie Boyz

Your eyes, your eyes tell me everything without you speaking,
Your lips, your lips when I'm kissing them I guess I'm weak yeah,
You so beautiful, ohh I'll tell you every day, yeah
You know, you know when you need me I'll be standing here and,
You know, you know, when you cry I'll always wipe those tears and
Every time you'll ask me if you look okay
I'll say...

When I see your face there's not a thing that I would change,
'Cause you're amazing just the way you are,
And when you smile the whole world stops and stars for a while,
'Cause you're amazing just the way you are.

Don't think, don't think that I'll ever leave you, oh no baby,
No way, no way 'cause if you left me I go crazy,
There ain't surprise, you made me who I am.
You're every part of me, the sweetest thing and with every melody,
Another perfect beat you know how to be,
The angel that I've found in this world.

When I see your face there's not a thing that I would change,
'Cause you're amazing just the way you are,
And when you smile the whole world stops and stars for a while,
'Cause you're amazing just the way you are.

You know my love, you know my heart girl,
There's nothing I, I wouldn't do for you,
Just so you know, yeahh.
I'll do anything for your love,
There's nothing I won't do for you,
I need you to stay the same
And just the way you are.

When I see your face there's not a thing that I would change,
'Cause you're amazing just the way you are,
And when you smile the whole world stops and stars for a while
'Cause you're amazing just the way you are.
