

Try

Jackie Boyz

I just can't thinking no matter how hard I try
I wish that could but I just can't get you off my mind
Going insane I'm trying my best to stay calm
But you on my brain I wish you where here in my arms

Pitch black room under the sheet
Prescription ain't working I just can't sleep
I've got insomnia
Insomnia because of you
My sleep fall because of you

I making trough the day like I have no problems at all
What they come up of you wears after the night fall
I'm sitting in my bedroom tryna figure out how I get you back
Because I know you're the reason for the sleep I lack

Pitch black room under the sheet
Prescription ain't working I just can't sleep
I've got insomnia
Insomnia because of you
My sleep fall because of you

I wish there was some way
I could get you back
Back here, for good
Said I wish there was some way
I could get you back
Back here, for good

Pitch black room under the sheet
Prescription ain't working I just can't sleep
I've got insomnia
Insomnia because of you
My sleep fall because of you

Pitch black room under the sheet
Prescription ain't working I just can't sleep
I've got insomnia
Insomnia because of you
My sleep fall because of you
