I can't sleep tonight
You're body's on my mind
Thinkin what we used to do
Girl it's got me stuck on you
But I can't clear my head
How I miss your lips
And the way you kissed my lips
I'm feelin for you
Girl what can I do

Cause my heart beats pumpin and I can't relax
You got your boy gone and I can't get back
I need your lovin why you do me like that
You're the one I need in my life
(Oooh baby)

I'm sleepin with the ghost here of you and me
I'm seein that it's not how it used to be
Us kissin huggin lovin touchin
How I miss when we used to
Woo ooh ooooh ooooh

I'm sleepin with the ghost here of you and me
I'm seein that it's not how it used to be
Us kissin huggin lovin touchin
How I miss when we used to
Woo ooh ooooh ooooh
(On the bed we would)
Woo ooh ooooh ooooh
(On the floor we was)
Woo ooh ooooh ooooh
(In the kitchen we were)
Woo ooh ooooh ooooh
On the couch you was sayin MORE BABY!

Let me take you by the hand
Girl I'm sittin here home all alone wishin you were here
And instead I sit in my room wantin to be with you
And I know you do too baby
But since you're not
See my world's been crumbling
I get no rest
And I only accept the fact I'm hopeless
To this pain that I'm goin through
(Ooooooh)

Cause my heart beats pumpin and I can't relax
You got your boy gone and I can't get back
I need your lovin why you do me like that
You're the one I need in my life
(Oooh)

I'm sleepin with the ghost here of you and me
I'm seein that it's not how it used to be
Us kissin huggin lovin touchin
How I miss when we used to
Woo ooh ooooh ooooh

I'm sleepin with the ghost here of you and me
I'm seein that it's not how it used to be
Us kissin huggin lovin touchin
How I miss when we used to
Woo ooh oooh ooohh
(And the sound when we)
Woo ooh oooh ooohh
(In the bedroom when we)
Woo ooh oooh ooohh
(In the kitchen we were)
Woo ooh oooh ooohh
On the couch you was sayin MORE BABY!
