

# Needles And Pins

Jackie DeShannon

I saw him today  
I saw his face  
It was a face I loved  
And I knew

I had to run away  
And get down on my knees  
And pray that they'd go away

But still they begin  
Needles and pins  
Because of all my pride  
The tears I gotta hide

Hey, I thought I was smart  
I'd win his heart  
And I didn't think I'd lose  
But now I see

She's more to him than me  
Let him go ahead  
Take her love instead  
And one day, he will see

Just how to say please  
Oh, and get down on his knees  
Hey, that's how it begins  
He'll feel those needles and pins  
Hurting him, hurting him

Why can't I stop  
And tell myself I'm wrong  
I'm wrong, so wrong  
Why can't I stand up  
And tell myself I'm strong

Because I saw him today  
I saw his face  
It was a face I loved  
I can't let go

Although I know  
He'll make me cry  
Oh, whoa, whoa  
Til the day I die

But, people  
I got to live now  
And Lord knows  
I have to forgive now

Yeah, when it begins  
He'll feel those needles and pins  
Hurting him, oh, stop it now  
Stop those needles  
Stop those pins

Don't let them begin  
Oh, won't you hear what I say  
Somebody, take em away

Stop em now, stop em  
Stop those needles and pins  
Yeah, yeah, oh, when it begins  
I feel those needles and pins
