## **A Mother's Prayer**

## Jackie Evancho

I pray you'll be our eyes And watch us where we go And help us to be wise In times when we don't know

Let this be our prayer When we lose our way Lead us to a place Guide us with your grace To a place where we'll be safe

I pray we'll find your light And holds it in our hearts When stars go out each night Remind us where you are

Let this be our prayer When shadows fill our day Lead us to a place Guide us with your grace Give us faith so we'll be safe

A world where pain and sorrow will be ended And every heart that's broken will be mended And we'll remember we are all gods children Reaching out to touch you Reaching to the stars

We ask that life be Kind And watch us from above We hope each soul will find Another soul to love

Let this be your prayer Just like every child Needs to find a place Guide us with your grace Give us faith so we'll be safe

Needs to find a place Guide us with your grace Give us faith so we'll be safe
