## My Heart Will Go On

## Jackie Evancho

Every night in my dreams I see you, I feel you, That is how I know you, go on

Far across the distance And spaces between us You have come to show you, go on

Near, far, wherever you are I believe that the heart does go on Once more you open the door And you're here in my heart And my heart will go on and on

Love can touch us one time And last for a lifetime And never let go 'til we're gone

Love was when I loved you One true time I hold to In my life we'll always go on

Near, far, wherever you are I believe that the heart does go on Once more you open the door And you're here in my heart And my heart will go on and on (Mmhmm)

You're here, there's nothing I fear, And I know that my heart will go on We'll stay forever this way You are safe in my heart And my heart will go on and on
