

# Teaching Angels How To Fly

Jackie Evancho

Jackie, how do angels fly?  
Well, Kimberly, let me tell you how

There are times in life gifts come our way  
We don't really realize til it's too late  
The smile on their faces light this world  
The innocence of each boy and girl

Her name was Kimberly, my precious one  
And I cherish every day God gave to us  
Jackie, can you read it one more time  
Cause I'm not too sure how angels fly?

Just like a bird up in the sky  
She spreads her wings  
And now she's soaring high  
She's farther than clouds can go  
She's past the stars  
Over the moon  
And she's already broken through  
Where angels live and never die  
Our little Kimberly  
Is finally learning how to fly

Now and then I'll hear her voice calling me  
When I feel the wind blow  
I know she's earned her wings  
I can feel the feathers  
Brush my face  
She leaves behind amazing grace

Just like a bird up in the sky  
She spreads her wings  
And now she's soaring high  
She's farther than clouds can go  
She's past the stars  
Over the moon  
And she's already broken through  
Where angels live and never die  
Our little Kimberly  
Is finally learning how to fly

Just like a bird up in the sky  
She spreads her wings  
And now she's soaring high  
She's farther than clouds can go  
She's past the stars  
Over the moon  
And she's already broken through  
Where angels live, never die  
Our little Kimberly  
Is teaching angels how to fly
