Think Of Me

Jackie Evancho

Think of me, think of me fondly, when we said goodbye.

Remember me once in a while please promise me you'll try.

When you find that, once again, you long to take your heart back and be free if you ever find a moment, spare a thought for me

We never said our love was evergreen, or as unchanging as the sea but if you can still remember stop and think of me

Think of all the things
we've shared and seen don't think about the way things
might have been

Think of me, think of me waking, silent and resigned.

Imagine me, trying too hard to push you from my mind.

Recall those days look back on all those times, think of the things we'll never do there will never be a day, when I won't think of you

Flowers fade, the fruits of summer fade They have their seasons, so do we But please promise me that sometimes You will think of me
