To Where You Are

Jackie Evancho

Who can say for certain Maybe you're still here I feel you all around me Your memories so clear

Deep in the stillness I can hear you speak You're still an inspiration Can it be (?) That you are mine Forever love And you are watching over me from up above

Fly me up to where you are Beyond the distant star I wish upon tonight To see you smile If only for awhile to know you're there A breath away's not far To where you are

Are you gently sleeping Here inside my dream And isn't faith believing All power can't be seen

As my heart holds you Just one beat away I cherish all you gave me everyday 'cause you are mine Forever love Watching me from up above

And I believe That angels breathe And that love will live on and never leave

Fly me up To where you are Beyond the distant star I wish upon tonight To see you smile If only for awhile To know you're there A breath away's not far To where you are

A breath away's not far To where you are
