

## Freeport Boulevard

Jackie Greene

All my good friends live down Freeport Boulevard  
Yes all my good friends live down Freeport Boulevard  
They get into trouble, no matter where they are.  
Sometimes we drink whiskey, sometimes we drink wine  
Sometimes we drink whiskey, sometimes we drink wine  
As long as we're drinking, we'll be feeling just fine  
They won't send you no flowers, they won't send you no greeting  
cards  
Oh no flowers or no greeting cards  
But they'll send your ass down walking, down the boulevard  
Get on back to your porch swing, get on back to your car  
Get on back to that porch swing, get on back to your car  
If it ain't a Cadillac, it don't belong down the boulevard
