

Maria Maria (it's A Sin To Tell A Lie)

Jackie Greene

Maria, Maria
It's a sin to tell a lie
Maria, Maria
It's a sin to tell a lie
It's a sin, it's a sin
To pretend, it's a sin
Oh, Maria, Maria
It's a sin to tell a lie
Maria, Maria
It's a long, cold road back home
Maria, Maria
And I wish, I would have known
Well, I wish, I would have known
But I thought that you'd be alone
Oh, Maria, Maria
It's a long, cold road back home
Maria, Maria
Don't you think of me?
Maria, Maria
I'm as blind, as blind can be
Well, I'm as blind, as blind can be
'Cause you never cared for me
Oh, Maria, Maria
I'm as blind, as blind can be
