

Mexican Girl

Jackie Greene

I'm falling in love
With a Mexican girl
I'm falling in love
With a Mexican girl
And she falls so easily
Over me...

I'm spending my time
With a Mexican girl
And I've spent my last dime
On that Mexican girl
But she falls so easily
Over me...

I'm falling in love
With a Mexican girl
And I can't get enough
Of that Mexican girl
And she falls so easily
Over me...

I'm going to my grave
With a Mexican girl
But I'm going to be saved
By a Mexican girl
And she falls so easily
Over me...
