

Tell Me Mama Tell Me Right

Jackie Greene

Tell me mama, tell me right
Where did you sleep last night?
You got to tell me baby or I'm gonna loose my mind

Tell me baby, tell me right
Who lights your fire at night?
You got to tell me baby, or I'm gonna loose my mind

Tell me baby, what I wanna know,
Or you ain't gonna see me no more
You got to tell me baby, where I fit in
Take a look at what your cat dragged in...

Tell me mama, tell me right
Where did you sleep last night
You got to tell me baby, or I'm gonna loose my mind

Tell me baby, tell me yes
What you got underneath your dress?
You got to tell me baby, or I'm gonna loose my mind
