

# A Woman, A Lover, A Friend

Jackie Wilson

I want somebody to hold my hand  
Somebody to love me and understand  
I want a woman (woman)  
I want a lover (a lover)  
I want a friend (a woman, a lover, a friend)

Mmmm, I want somebody to share my love  
Yes, loving is something I've got plenty of  
I want a woman (woman)  
I want a lover (a lover)  
I want a friend (a woman, a lover, a friend) ah-ahh

I don't want a fancy gal  
With powder and paint  
And I don't want a woman

Who thinks she's a saint  
I'm looking for someone  
Who's not make-believe  
And doesn't mind giving so that she may receive

There must be somebody somewhere around  
That's looking for someone to give pound for pound  
I want me a woman (woman)  
Mmm, I want a lover (a lover)  
I want a friend (a woman, a lover, a friend)

Yeah I want her right now  
I want my little girl anyway, I want her anyhow  
Please come on, baby  
Just be my little woman, be my lover
