

# Think Twice

Jackie Wilson

With LaVern Baker

I said you better think twice  
Before you walk out that door  
I've got news for you, little boy  
You ain't got a mother here no more

So you better be nice  
Better take my advice  
Hey, yeah, yeah, yeah  
Think twice

Listen to me, Jackie  
Think twice

Wait a minute now, baby, yeah  
You're trying to play your daddy  
For a fool so let me ease on by

Honey, before I blow my cool  
I'm gonna give you some time  
Ha, to make up your mind

Vern, baby, think twice, be nice  
Honey, think twice

Listen to me, Jackie  
(What do you want, Vern)  
Oh, don't you walk out that door  
(I got to make a move)

Oh, don't leave me, baby  
(Got to go, baby)  
Cause I know, know, know  
You won't gonna come back no more  
(Ain't gonna be nobody's fool)

Oh, I got a brand new bag  
(A brand new bag but don't let it sag)  
Oh, oh, oh, oh (all right)

Take my advice (I took it)  
Oh, but you didn't heed my warning  
(But I'm gone) ohh

Oh, you better think twice, Jackie  
Before you walk out that door  
I've got news for you, brother  
They don't make no more like me

Don't you be no fool  
(I ain't gonna be no fool)  
And don't blow your cool  
Whoa, think twice  
Yeah, yeah, yeah, yeah  
Think twice

(Vern, I got to make me a move)  
(All right, I got to march on)  
Yeah, yeah (I ain't coming back  
No more, Vern, I got to leave)
