

Cocaine

Jackson Browne

You take Sally and I'll take Sue
Their ain't no difference between the two
Cocaine, running all 'round my brain

Headin' down Scott, turnin' up main
Looking for that girl that sells cocaine
Cocaine, runnin' all 'round my brain

Mama come here quick
That old cocaine 'bout to make me sick
Cocaine, running all 'round my brain

Late last night, about a quarter past four
Ladanyi come knockin' down my hotel room door
Where's the cocaine? Said, "It's runnin' all 'round my brain"

I was talking to my doctor down at the hospital
He said, "Son, it says here you're twenty-
seven but that's impossible
Cocaine, "You look like you could be forty-five"

Now I'm losing touch with reality and I'm almost out of blow
It's such a fine line, I hate to see it go
Cocaine, runnin' all 'round my brain
