Michael Jackson

A buh-buh buh buh-buh

A buh-buh buh buh-buh

You went to school to learn, girl  
Things you never, never knew before

Like I before E except after C

And why two plus two makes four  
Now now now, I'm gonna teach you  
Teach you, teach you

All about love, dear  
All about love

Sit yourself down, take a seat  
All you gotta do is repeat after me.
