

# Behind the Mask

Michael Jackson

All along I had to talk about it  
But like a two edged sword  
It cuts you and it stabs me

All along I knew you were a phony girl  
You sit behind the mask  
And you control your world

You sit around and I watch your face  
I try to find the truth, but that's your hiding place  
You say you love me, but it's hard to see  
'Cause when he's in your arms, you're throwing rocks at me

Who do you love? Is it me with you?  
I don't know  
Who do you love?  
I don't want ya if you can't answer  
But you know me

(There is nothing in your eyes)  
There is nothing in your eyes  
(But that's the way you cry)  
But that's the way you cry girl  
(Cry girl)

(All is grand, all is bright)  
All is grand, all is bright  
(You're just studying my mind)

I walk around, I'm suffering in my doom  
When I come to you, you're sitting in your room  
You sit around in the strangest place  
So take off the mask, so I can see your face

Who do you love? Is it me with you?  
I don't know  
Who do you love?  
I don't want ya if you can't answer  
I know you

(Heaven must be wary)  
Heaven must be wary  
(Your smile is scary)  
You got me spinnin', girl

(Insincere, empty tears)  
Every year, yours are good  
(Where's your soul? Where'd it go?)  
You got me scared, girl

(Heaven must be wary)  
Heaven must be wary  
(Your smile is scary)  
You know where you've been

(Insincere, empty tears)  
Every year, na na na

(Where's your soul? Where did it go?)

I walk around, I'm suffering in my doom  
When I come to you, you're sitting in your room  
You sit around in the strangest place  
So take off the mask, so I can see your face

Who do you love? Is it me with you?  
I don't know  
Who do you love?  
I don't want ya if you can't answer  
I know you

Who do you love? Is it me with you?  
I don't know  
Who do you love?  
I don't want ya if you can't answer  
I don't know

I don't wanna talk about it  
(Let's talk about it)  
I don't wanna talk about it  
(Let's talk about it)  
I don't wanna talk about it  
(Let's talk about it)
