

# Cry

Michael Jackson

Somebody shakes when the wind blows  
Somebody's missing a friend, hold on  
Somebody's lacking a hero  
And they have not a clue when it's all gonna end

Stories buried and unfold  
Someone is hiding the truth, hold on  
When will this mystery unfold  
And will the sun ever shine  
In the blind man's eyes when he cries?

You can change the world  
(I can't do it by myself)  
You can touch the sky  
(Gonna take somebody's help)  
You're the chosen one  
(I'm gonna need some kind of sign)  
If we all cry at the same time tonight

People laugh when they're feelin' sad  
Someone is taking a life, hold on  
Respect to believe in your dreams  
Tell me where were you  
When your children cried last night?

Faces fill with madness  
Miracles unheard of, hold on  
Faith is found in the winds  
All we have to do is reach for the truth

You can change the world  
(I can't do it by myself)  
You can touch the sky  
(It's gonna take somebody's help)  
You're the chosen one  
(I'm gonna need some kind of sign)  
If we all cry at the same time tonight

And when that flag blows  
There'll be no more wars  
And when all calls  
I will answer all your prayers, prayers  
Show the world

You can change the world  
(I can't do it by myself)  
You can touch the sky  
(Gonna take somebody's help)  
You're the chosen one  
(I'm gonna need some kind of sign)  
All cry at same time tonight

You can change the world  
(I can't do it by myself)  
You can touch the sky  
(Gonna take somebody's help)  
You're the chosen one

(I'm gonna need some kind of sign)  
All cry at same time tonight

You can change the world  
(I can't do it by myself)  
You can touch the sky  
(Gonna take somebody's help)  
You're the chosen one  
(I'm gonna need some kind of sign)  
All cry at same time tonight

All cry at same time tonight  
All cry at same time tonight  
Change the world
