

# Darling Dear

Michael Jackson

Jackson 5

The game of love  
Is such a beautiful game  
If you? ve got time, little girl  
I? d like to explain  
All the do? s and don? ts  
All the wills and won? ts

So Lend an ear, darling dear  
(Sweet darling dear)  
Do be sincere  
And true love will appear  
Don? t be shy  
Or love will pass you by  
If you will  
My heart you may steal  
If you don? t  
The game of love you lose alone

(Darling dear)

Do be sincere  
And true love will appear  
Don? t be shy  
Or love will pass you by  
If you will  
My heart you may steal  
If you don? t  
The game of love you lose alone

(First)

First I? ll place my arms  
So gently around you  
(Then)  
Then whisper darling I? m so glad I found you

Then your lips unwind  
A simple touch wouldn? t mind  
A kiss will stay, darling dear  
(Sweet darling)  
Darling, darling dear, yeah  
(Sweet darling dear)  
Darling dear  
(Sweet darling dear)  
Darling dear
