

# Heartbreaker

Michael Jackson

Deceitful eyes, she's got those come get me thighs  
she only knows how low that she can go  
She speaks the lines that can control my mind  
Wherever she goes I know my eyes follow  
She blew a kiss, I swear that it was meant  
only for me, then spoke with her body  
her only goal is just to take control  
And I can't believe that I can't tell her no

That girl I can't take her  
should have known she was a heartbreaker  
that girl I can't take her  
should have seen right through her she's a heartbreaker  
That girl I can't take her  
should have seen it coming heartbreaker  
that girl I can't take her  
should have seen right through her  
she's a heartbreaker

She plays a game with such an innocent face  
I didn't know heartbreaking was her case  
Her actions confess and put me through the test  
I was surprised that I was caught inside  
Now she's thinking that I will never know  
ans she'll keep playing until I let her go  
But I hope in time that she will finally realize  
I'm onto her game and she'll get played the same

That girl I can't take her... (2x)

I never thought that I would stop dreamin' about you  
Stop being without you  
But everyone told me so, to stop caring about you  
and start being without you  
but I'll find a way to go and start doin' without you  
and stop talkin' about you  
and what will she say?  
She will say I was the man that got away
