

# I'll Come Home to You

Michael Jackson

If I had my way girl  
I'd never leave for a minute  
But things don't always turn out  
The way we want them to  
So while I'm away  
I want you to remember  
How much I love you  
I love you, I love you

Let this love lift you up  
When you're feelin' blue  
Wherever I go, I will be loving you  
Think of me when you see  
Places we once shared  
Whatever I do, someday I'll need you there

Wherever I go, whatever I do  
I'll always come home  
I'll come home to you  
Even though we both know  
You're not in my arms  
Wherever I go, you're always in my heart

Just you ask, I'll come back  
Though we're miles apart  
Whatever I do, I'll come to where you are  
Wherever I go, whatever I do  
I'll always come home  
I'll come home to you  
Wherever I go, whatever I do  
I'll always come home  
I'll come home to you
