Man In The Mirror

Michael Jackson

I'm gonna make a change for once in my life.

It's gonna feel real good gonna make a difference gonna make it right

As I turn up the collar on my favorite winter coat This wind is blowing my mind

I see the kids in the streets with not enough to eat Who am I to be blind pretending not to see their needs

A summer disregard, a broken bottle top and a one man soul

They follow each other on the wind ya know 'Cause they got nowhere to go
That's why I want you to know

I'm starting with the man in the mirror
I'm asking him to change his ways
and no message could have been any clearer

If you wanna make the world a better place take a look at yourself and then make a change Na na na, na na na na na na

I've been a victim of a selfish kind of love It's time that I realize

That there are some with no home not a nickel to loan

Could it be really me, pretending that they're not alone?

A willow deeply scarred, somebody's broken heart and a washed-out dream

They follow the pattern of the wind ya see 'Cause they got no place to be That's why I'm starting with me

I'm starting with the man in the mirror
I'm asking him to change his ways
and no message could have been any clearer

If you wanna make the world a better place take a look at yourself and then make a change

I'm starting with the man in the mirror
I'm asking him to change his ways
and no message could have been any clearer

If you wanna make the world a better place take a look at yourself and then make a $$\operatorname{CHANGE}$$

I'm starting with the man in the mirror
I'm asking him to change his ways
and no message could have been any clearer

If you wanna make the world a better place take a look at yourself and then make a change

You gotta get it right while you got the time 'Cause when you close your heart you can't close your your mind!

I'm starting with the man in the mirror I'm asking him to change his ways and no message could have been any clearer $\frac{1}{2}$

If you wanna make the world a better place take a look at yourself and then make a change

I'm starting with the man in the mirror
