

# Monkey Business

Michael Jackson

Well lord have mercy  
Well lord have mercy  
This ain't no good for me  
This ain't no good for me babe  
Well lord have mercy  
Well lord have mercy  
Ain't no good for me babe  
Tell me what's goin' down babe

Every time I wanna say it  
It is just too much for me  
I don't even wanna say it  
Cause of all the blasphemy  
Everybody's doin' it to somebody's love  
In sight of me  
I might tell on you  
So don't you start no stuff with me

Your brother's got kids with your mother-in-law  
I might drop dead about what I saw  
I caught your mother she doin' a dude  
You can't like it that I'm looking right at you  
Stop it  
It's too much  
Monkey Business goin' down

Well lord have mercy  
Well lord have mercy  
Don't be callin' out "Mercy me"  
Don't be callin' down babe  
Said lord have mercy  
Even burst the breast  
Don't be callin' out "Mercy me"  
Don't be goin' down babe

Every time I wanna say it  
It is just too much for me  
Everybody's doin' it to somebody's love  
It seems to me  
I just can't believe the things I'm seeing  
So just let it be  
I might tell on you  
So don't you start no stuff with me

Your brother's got kids with your mother-in-law  
I might drop dead about what I saw  
I caught your mother she doin' a dude  
You can't like it that I'm looking right at you  
Your brother's got kids with your mother-in-law  
I might drop dead about what I saw  
I caught your mother she doin' a dude  
You can't like it that I'm looking right at you  
Stop it  
It's too much  
Monkey business goin' down

I read the paper

And I can't believe what's goin' round  
Somebody's doin' it to  
Somebody's up, somebody's down  
The government won't pay my taxes  
And I'm really mad  
My mouth might let it be  
So don't you monkey shy with me

Your brother's got kids with your mother-in-law  
I might drop dead about what I saw  
I caught your mother she doin' a dude  
You can't like it that I'm looking right at you  
You're dirty  
You're dirty  
Dirty, dirty baby

Your brother's gone and kissed  
The mother-in-law  
I might tell Dad about what I saw  
Your brother didn't make a nickel  
Or dime too  
Sittin' round tellin' how he did it to you

Stop it  
It's too much  
Monkey business goin' down  
Goin' down babe  
Monkey business goin' down  
I'm not satisfied baby  
Monkey business goin' down  
You wanna party  
Monkey business goin' down  
My business, is your business  
Monkey business goin' down  
I caught your mother she doin' a dude  
You can't like it that I'm looking right at you  
Monkey business goin' down  
Monkey see, monkey do  
You can't like it that I'm looking right at you  
Your business, is my business  
Monkey business goin' down  
Your business, is my business  
Monkey business goin' down
