Shake Your Body (Down to the Ground)

Michael Jackson

I don't know what's going happen to you, baby But I do know that I love ya You walk around this town With your head all up in the sky And I do know that I want ya

Let's dance, let's shout (shout) Shake your body down to the ground Let's dance, let's shout (shout) Shake your body down to the ground Let's dance, let's shout (shout) Shake your body down to the ground Let's dance, let's shout (shout) Shake your body down to the ground

You tease me with your lovin' To play hard to get Cause you do know that I want ya You walk around this town With your head all up in the sky And you do know that I want ya

Let's dance, let's shout (shout) Shake your body down to the ground Let's dance, let's shout (shout) Shake your body down to the ground Let's dance, let's shout (shout) Shake your body down to the ground Let's dance, let's shout (shout) Shake your body down to the ground

You are the spark that lit The fire inside of me And you know that I love it I need to do just something To get closer to your soul And you do know that I want ya

Let's dance, let's shout (shout) Shake your body down to the ground Let's dance, let's shout (shout) Shake your body down to the ground Let's dance, let's shout (shout) Shake your body down to the ground Let's dance, let's shout (shout) Shake your body down to the ground
