Stranger in Moscow

Michael Jackson

I was wandering in the rain Mask of life, feelin' insane Swift and sudden fall from grace Sunny days seem far away Kremlin's shadow belittlin' me Stalin's tomb won't let me be On and on and on it came Wish the rain would just let me How does it feel (How does it feel) How does it feel How does it feel When you're alone And you're cold inside Here abandoned in my fame Armageddon of the brain KGB was doggin' me Take my name and just let me be Then a begger boy called my name Happy days will drown the pain On and on and on it came And again, and again, and again... Take my name and just let me be How does it feel (How does it feel) How does it feel How does it feel How does it feel How does it feel (How does it feel now) How does it feel How does it feel When you're alone And you're cold inside How does it feel (How does it feel) How does it feel How does it feel How does it feel How does it feel (How does it feel now) How does it feel How does it feel When you're alone And you're cold inside Like stranger in Moscow Like stranger in Moscow We're talkin' danger We're talkin' danger, baby Like stranger in Moscow We're talkin' danger We're talkin' danger, baby Like stranger in Moscow I'm live in lonely I'm live in lonely, baby Stranger in Moscow

[KGB interrogator - Russian to English Translation]
"Why have you come from the West?
Confess! To steal the great achievments of
the people, the accomplishments of the workers..."
