

# Take Me Back

Michael Jackson

Take me back  
Take me back where I belong  
That's with you baby  
Ah take me back  
Take me back where I belong  
That's with you baby

I thought the grass was green on the other side  
Thought the sun shone brighter without saying goodbye  
There's a card in my hand  
Tears fall like rain  
I want to come home again  
I want you to

Take me back  
Take me back where I belong  
That's with you baby  
Take me back  
Take me back where I belong  
That's with you baby  
Ain't no love in this world  
Ain't no love in this world without you

In my search to find myself  
I saw your face and nothing else  
Every place I go everything I do  
I still feel the need for you  
Come on and

Take me back  
Take me back where I belong  
That's with you baby  
Ah take me back  
Take me back where I belong  
That's with you baby

I'm on my way back to you  
And I want to make it up to you  
And all the problems that I caused you  
If ti takes my life I'll make it up to you  
I just want you to take me, take me  
Take me, take me, take me, take me

Take me back, forgive me  
Take me back where I belong  
If you can, if you can find it  
In your heart to forgive me
