We Are The World

Michael Jackson

There comes a time when we need a certain call When the world must come together as one There are people dying Oh, and it's time to lend a hand to life The greatest gift of all

We can't go on pretending day by day That someone, somehow will soon make a change We're all a part of God's great big family And the truth - you know love is all we need

We are the world, we are the children We are the ones who make a brighter day so let's start giving There's a choice we're making We're saving our own lives It's true we'll make a better day Just you and me

Well, send'em you your heart So they know that someone cares And their lives will be stronger and free As God has shown us By turning stone to bread And so we all must lend a helping hand

We are the world, we are the children We are the ones who make a brighter day so let's start giving There's a choice we're making We're saving our own lives It's true we'll make a better day Just you and me

When you're down and out There seems no hope at all But if you just believe There's no way we can fall Well, well, well, let's realize That one change can only come When we stand together as one

We are the world, we are the children We are the ones who make a brighter day so let's start giving There's a choice we're making We're saving our own lives It's true we'll make a better day Just you and me
