

Who's Lovin' You

Michael Jackson

When I had you, I treat you bad and wrong my dear and girl since
e, since you went away. dont you know I sit around with my head h
anging down and i wonder who's lovin you.

I, I, I, I, I, I should have never ever, made you cry and girl since
, since you've been gone. dont you know I sit around with my head
hanging down and I wonder who's lovin you.

Life without love is oh, so lonely I dont think, I dont think i
m gonna make it. All my love, all my love, yeah, belongs to only yo
u come on take it, girl, come on and take it.

Because I, all I can do, all I can do since you been gone is cr
y and you, and ever wonder or your pretty little head bout what
I do. Dont you know I sit around with my head hanging down and
I wonder whos lovin you.
