You Are My Life

Michael Jackson

Once all alone I was lost in a world of strangers No one to trust On my own, I was lonely You suddenly appeared It was cloudy before but now it's all clear You took away the fear And you brought me back to the light

You are the sun You make me shine Or more like the stars That twinkle at night You are the moon That glows in my heart You're my daytime my nighttime My world You are my life

Now I wake up everyday With this smile upon my face No more tears, no more pain 'Cause you love me You help me understand That love is the answer to all that I am And I'm a better man Since you taught me by sharing your life

You are the sun... (2x)

You gave me strength When I wasn't strong You gave me hope when all hope was lost You opened my eyes when I couldn't see Love was always here waiting for me

You are the sun... (3x)
