

Hey! remember me?
From a long time ago
Haven't been this nervous in years
But I'll try not to let it show
I swam here thru a thousand beers
Just to be with you tonight
Faked the courage for this kiss
In the streetlight

Hey, I'm the same
You're the same
I'm home tonight

I just need a place to lie down
We can talk all night about our common ground
Ya, I was at that party too
You didn't see me but I saw you
Remember my bad hair?
You're still just as cool
Remember my rock and roll band?
Back in high school

Hey, I'm the same
You're the same
I'm home tonight

Hey remember me?
From a long time ago
Waiting impatiently
But I'm trying not to let it show
