## Down On Me

All the things I see in you All the things I know that are true And when the light in the morning Comes shining through I see, I see I see the sun shining Down on me I feel the heat of love's flame Down on me I love the thought of you comin' Down on me And I'm so wet from love raining Down on me Down on me, down on me All the things you mean to me All the things I want us to be And when the man in the moon Looks straight at you I see, oh I see I see the sun shining Down on me I feel the heat of love's flame Down on me I love the thought of you comin' Down on me And I'm so wet from love raining Down on me And you're a new kinda way That's getting stranger every day Get on the good foo and keep it on top One thing for certain, it ain't ever gonna stop I see the sun shining Down on me I feel the heat of love's flame Down on me I love the thought of you comin' Down on me And I'm so wet from love raining Down on me
