

# Twice As Ugly

Jackyl

When you vultures finish picking skin off my face  
Replace your hand that's on my back  
Stab your verdict in its place  
I can't fight the feeling  
Gotta say what's on my mind  
Why have you forsaken me, forsaken me, forsaken me  
Don't forget just where you came from  
Where you used to be  
It all comes around  
It all comes around  
It all comes around

Here I am, back again  
Bigger than life  
To wear you thin  
Twice as ugly, twice as loud  
Twice as cocky, twice as proud  
Here I am, back again  
Bigger than life  
Just watch me grin  
Twice as ugly, twice as ugly  
I'm back again

I offer no apologies  
For things that I have done  
I'll fuck and drink and smoke and cuss  
Damned to have my fun  
You can't fight the feeling  
Gotta say what's on your mind  
Why have you awakened me, awakened me, awakened me  
I know you got it in you  
To fuck and drink and smoke and cuss  
Don't you hate it  
You're just like us  
Yeah, you're just like us

Here I am, back again  
Bigger than life  
To wear you thin  
Twice as ugly, twice as loud  
Twice as cocky, twice as proud  
Here I am, back again  
Bigger than life  
Just watch me grin  
Twice as ugly, twice as ugly  
I'm back again

Here I am, back again  
Bigger than life  
To wear you thin  
Twice as ugly, twice as loud  
Twice as cocky, twice as proud  
Here I am, back again  
Bigger than life  
Just watch me grin  
Twice as ugly, twice as ugly  
I'm back again
