I believe, What I said.  
Why does everyone hear me wrong?  
If I told you different? Would it sound the same?  
Would it make a difference in any way?  
Ohh boy

I know I done wrong and I paid for it.  
But its your turn to talk, for once i'm listening.  
Say that you don't want me,  
Say that you don't need me,  
Tell me i'm a fool.  
Tell me you've been tortured  
Tell me you've been beaten, for what I've done to you.  
Even if it doesn't matter, Doesn't matter whats true.  
Say that you don't want me,  
Say that you don't need me,  
Tell me i'm the fool.

Look at all this heart ache, What is there?  
Forget of how it started, this it how it ends.  
Ohh boy  
I know I done some wrong and I paid for it.  
But its your turn to talk, for once i'm listening.  
Say that you don't want me,  
Say that you don't need me,  
Tell me i'm a fool.  
Tell me you've been tortured  
Tell me you've been beaten, for what I've done to you.  
Even if it doesn't matter, Doesn't matter whats true.  
Say that you don't want me,  
Say that you don't need me,  
Tell me i'm the fool.

Tell me that is over,  
Tell me that you mean it,  
This time its true,  
Tell me that i'm unknown to you.  
oh ohh ohh oh boyy  
ohh ohh ohh boy

Say that you don't want me,  
Say that you don't need me,  
Tell me i'm a fool.  
Tell me you've been tortured.  
Tell me you've been beaten, for what I've done to you.  
Even if it doesn't matter, Doesn't matter whats true.  
Say that you don't want me,  
Say that you don't need me,  
Tell me i'm the fool.

Tell me that is over,  
Tell me that you mean it,  
This time its true,  
Oh wont you tell me that i'm unknown to you
