

Brave New World

Jacob Hoggard

Hello,
I love you
wont you tell me,
your name

Hello
i need you
like a bullet to
my brain

would you tell me that your free
and all thats left is you and me
when the night falls and its time to go
would u take my hand

would they say we'll never be
dreamin love in times like these
when the rain falls theres no where to go
here we stand

dreamin hard
prayin life on this white old car
here we say
