

Only The Good Die Young

Jacob Hoggard

Come now Virginia Don't let me wait.
Catholic Girls are much too late.
Nobody told you the price that you'd pay.
For things that you might have done.

You know that only the good die young.
Only the good die young.
You know that only the good die young.
Only the good die young.

You got a nice white dress and a party on your confirmation.
Whoa, You got a brand new soul and a cross of gold.
But Virginia they didn't give you quite enough information.
Oh you didn't count on me, You were counting on your rosary.

Oh oh oh, They say there's a heaven for those who wait.
Some say it's better but I say it ain't.
I'de rather laugh with the sinners and cry with the saints.
But the sinners are much more fun.

Darling only the good die young.
Only the good die young.
You know that only the good die young.
Only the good die young.
