

# He Ain't I

Jacob Latimore

(Pre-Chorus)

Must be the way that I talk to ya  
That always keep you comin right back  
You saved my letters so we kicked a little  
Talkin and you keep forgettin that

(Chorus)

Girl so many lie  
Oh no yo man ain't I  
Oh no yo man ain't I  
Oh no yo man ain't I  
My J's on, these J's on, won't find another like I  
Won't find a nigga like I  
Oh no yo man ain't I

(Verse)

I know your man - he ain't I  
No no yo man ain't me  
Designers on my feet, Gucci Louie V  
Tried to get away, gorgeous on the beach  
Yea, that's what you can be

Tell me what you want, I'll bring you what you need  
Give everything, you everything  
Girl that's for guarantee  
Introduce you to the finer things, girl yea it's all on me  
Yea it's all on me, so come along with me yea

(Bridge)

Versace, Versace, girl you only know that you got it  
'Cause you look amazing, like you from Asia, some exotic  
So tell me what you want girl  
'Cus I know he can't do it this well

(Pre-Chorus)

Must be the way that I talk to ya  
That always keep you comin right back  
You saved my letters so we kicked a little  
Talkin and you keep forgettin that

(Chorus)

Girl so many lie  
Oh no yo man ain't I  
Oh no yo man ain't I  
Oh no yo man ain't I  
My J's on, these J's on, won't find another like I  
Won't find a nigga like I  
Oh no yo man ain't I

(Verse)

Tell me what you like, tell me what you like  
'Cause you keep blowin up my phone 'cus he ain't lovin you right  
He ain't lovin you right, he ain't lovin you right  
Girl let me show you what it feel like

Cars, clothes, you know  
Credit credit, debit debit, euro

Anything you want, girl let's go  
Let's go oh

(Bridge)

Versace, Versace, girl you only know that you got it  
'Cause you look amazing, like you from Asia, some exotic  
So tell me what you want girl  
'Cus I know he can't do it this well

(Pre-Chorus)

Must be the way that I talk to ya  
That always keep you comin right back  
You saved my letters so we kicked a little  
Talkin and you keep forgettin that

(Chorus)

Girl so many lie  
Oh no yo man ain't I  
Oh no yo man ain't I  
Oh no yo man ain't I  
My J's on, these J's on, won't find another like I  
Won't find a nigga like I  
Oh no yo man ain't I

(Verse: Yo Gotti)

Aye!  
It ain't a nigga like me on earth Shawty  
I'mma tell you one time, know your worth Shawty  
Hold yo head up, I know you're hurt Shawty  
I'll scoop you up and make you laugh, let's flirt Shawty  
Drop the top and let yo hair flow  
Then I'll tell you something you don't know  
Special, Shawty  
At least to me you is, at least to me you real  
I'm a king, I need a queen, this how I really feel  
What you like? You into beds?  
She wake up with no makeup, she got swag  
Imagine  
Long hair, no add-ons  
She's rockin with a real nigga, my bad homie

(Pre-Chorus)

Must be the way that I talk to ya  
That always keep you comin right back  
You saved my letters so we kicked a little  
Talkin and you keep forgettin that

(Chorus)

Girl so many lie  
Oh no yo man ain't I  
Oh no yo man ain't I  
Oh no yo man ain't I  
My J's on, these J's on, won't find another like I  
Won't find a nigga like I  
Oh no yo man ain't I

Oh no yo man ain't I
