

I Love You

Jacob Latimore

I just wanna say I LOVE YOU
I LOVE YOU
I just wanna say I LOVE YOU
I LOVE YOU
You've been my best friend
You stayed til the end
Baby don't cry
You know it's alright
I'll never leave you
Baby it's true
All that I do
I do it for you
I just wanna say I LOVE YOU
I LOVE YOU
I just wanna say I LOVE YOU
I LOVE YOU
