I Love You

Jacob Latimore

```
I just wanna say I LOVE YOU
 I LOVE YOU
 I just wanna say I LOVE YOU
 I LOVE YOU
 You've been my best friend
 You stayed til the end
 Baby don't cry
 You know it's alright
 I'll never leave you
 Baby it's true
 All that I do
 I do it for you
 I just wanna say I LOVE YOU
 I LOVE YOU
 I just wanna say I LOVE YOU
 I LOVE YOU
```
