Te-te-tell me, te-tell me me more
Te-te-tell me

I will cross the seven seas,
To see what's buried underneath
I would walk through desert sands
Just to talk with you,
And you hear you tell me your

Secrets, all I wanna do is know your secrets
Te-te-tell me, tell me your secrets
You're the mystery I'll never regret
Te-te-tell me, te-tell me me more
Te-te-tell me, te-tell me me more
Te-te-tell me
