

You & I

Jacob Whitesides

I figured it out,
I figured it out from black and white
Seconds and hours,
Maybe they had to take some time
I know how it goes,
I know how it goes from wrong and right
Silence and sound
Did they ever hold each other tight
Like us?
Did they ever fight
Like us?

You and I
We don't wanna be like them
We can make it 'til the end
Nothing can come between
You and I
Not even the gods above
Can separate the two of us
No, nothing can come between
You and I

You and I...

I figured it out,
Saw the mistakes of up and down
Meet in the middle,
There's always room for common ground
I see what it's like,
I see what it's like for day and night
Never together
'Cause they see things in a different light
Like us
But they never tried
Like us

You and I
We don't wanna be like them
We can make it 'til the end
Nothing can come between
You and I
Not even the gods above
Can separate the two of us
Nothing can come between
You and I

You and I...

You and I

We don't wanna be like them,
We can make it 'til the end,
Nothing can come between
You and I
Not even the gods above
Can separate the two of us
Nothing can come between
You and I

You and I...
