

# You & I

Jacob Whitesides

I figured it out,  
I figured it out from black and white  
Seconds and hours,  
Maybe they had to take some time  
I know how it goes,  
I know how it goes from wrong and right  
Silence and sound  
Did they ever hold each other tight  
Like us?  
Did they ever fight  
Like us?

You and I  
We don't wanna be like them  
We can make it 'til the end  
Nothing can come between  
You and I  
Not even the gods above  
Can separate the two of us  
No, nothing can come between  
You and I

You and I...

I figured it out,  
Saw the mistakes of up and down  
Meet in the middle,  
There's always room for common ground  
I see what it's like,  
I see what it's like for day and night  
Never together  
'Cause they see things in a different light  
Like us  
But they never tried  
Like us

You and I  
We don't wanna be like them  
We can make it 'til the end  
Nothing can come between  
You and I  
Not even the gods above  
Can separate the two of us  
Nothing can come between  
You and I

You and I...

You and I

We don't wanna be like them,  
We can make it 'til the end,  
Nothing can come between  
You and I  
Not even the gods above  
Can separate the two of us  
Nothing can come between  
You and I

You and I...
